# Support MATP Leeds

MATP Leeds is a Special Olympics sports club based at the West SILC , a special school in West Leeds. We run a sports programme for students with Complex and Multiple Learning Needs called the Motor Activities Training Programme.

This summer the National Special Olympics Games are being held in Sheffield and athletes with Complex and Multiple Learning Needs are taking part for the first time.

We are raising money to support our students and their families to attend the Games and represent their region, Yorkshire and Humberside, at this National competition. Contact Angela Lydon on 0113 2244090 if you can help.

For further Information about MATP contact: [niamh.reilly@sogb.org.uk](mailto:niamh.reilly@sogb.org.uk)
